Letter From The Principal

Kylee Wright (class 2025/Niece) & Dr.Josh Romano

Hello LHS students

It has been a great experience for me during my first year at Leominster High School. I've enjoyed getting to know so many of you, getting to be a part of great events, and getting to become part of Blue Devil Nation. So far this year I have had a pie thrown in my face, shown off my dance moves at Homecoming, survived a Thanksgiving Pep Rally, and as I write this I am helping to plan my first LHS Spring Carnival and graduation. Yearbooks are great ways to remember the highlights of your high school years, time that goes by a lot faster than you might think. I hope that as the years pass into decades you'll be able to look back at the moments captured by this book and that you'll feel your years here at LHS were a meaningful part of your early life. Great things are ahead of you. I hope this yearbook memorializes the years that helped prepare you for them.

Dr. Josh Romano

Letter From The Director

Daniel Bachant

Dear LHS/ CTEI graduates,

You made it! Today marks a remarkable accomplishment in your young lives as we celebrate the culmination of your public-school education with your graduation from Leominster High school and the Center for Technical Education.
This is a huge milestone for all of you. You've completed the minimum education requirement expected of a United States citizen. This will open many doors for you if you are going directly into the workforce or continuing your education in college. Either way, you are prepared to succeed. What seemed like a twelve-year struggle, (13 years if you count kindergarten), will pay huge dividends going forward. You will look back on the years you spent here one day and consider these some of the best days of your life.
Go forth and work hard, dream big, and never give up. You have come a long way and struggled through very challenging times. You've persevered to make sure this day would become a reality. In that same spirit, your experiences, your will, and your determination will carry you through life's journey. I hope you enjoyed your time here at LHS/CTEi, and I hope this is a place where you always felt welcome, safe, and valued.
Best wishes,
CTEi Principal Bachant

James Oxford

To the Seniors –

I wanted to thank you all for four fabulous years as your advisor. We have been through a lot. It is amazing how very fast the time has gone. It seems like it was just yesterday when we met at the Freshmen Orientation. Now you are about to graduate.

You have been faced with so many challenges, and you have overcome them all. Freshman year you were forced into lockdown because of Covid immediately following your Winter Carnival. Some of you were able to return Sophomore year; others were not back until Junior year. Through it all, you adjusted to those challenges and managed to excel. You even had to deal with your advisors changing.

I loved being there for your freshman year with Ms. Arpano at your first homecoming dance and selling snacks at the basketball games for your class. Your sophomore year, Ms. Arpano helped guide you through the lockdown. Junior year we both worked to bring you a wonderful junior prom at the Elks. Senior year, Ms. Arpano left, but we gained Mr. McNamara and Mr. Oxford. Through it all, your officers remained focussed on making your high school experience the best it could be.

Your class presidents may have changed over the past four years as well, from Julie Targa freshman year, to Gavin Robillard your sophomore and junior years, to Mai See Thao your senior year, but one thing remained constant. Your officer team, with your support, worked tirelessly to bring you the very best.

I will always remember the Junior Prom with the food truck and I am sure you will all remember being the first Leominster class to have a senior prom at Wachusett Mountain.

You may leave the halls of Leominster High School, but you will always carry Leominster in your soul. This is your home and your advisors hope to see you all in the years to come at your reunions. Enjoy your future knowing you are forever a part of Blue Devil Nation. Go Big Blue!

Ms. Duffy

Letter from the Advisors

Steven McNamara

I was excited to work with you as the CTEi Class Advisor. Throughout your high school career, I have seen you develop into young adults. As I have walked through your shops, I have seen amazing things coming from your fellow classmates. You have been an amazing class. Getting to know you outside of your normal role in the classroom was a great learning experience.

As an Advisor, I am lucky that the Class of 2023 has had strong leadership. The highlight of advising the Class of 2023 has been seeing you come together during the Covid Pandemic and succeed in your goals. Never forget Friday March 13, 2020. The day we learned what a Pandemic is. We Made It!

I am very proud of this class and it has been a pleasure being your advisor. I wish you good luck in your endeavors after high school and I hope you continue to grow. I hope your level of enthusiasm motivates others to participate in positive experiences alongside you!

Celyn Cruz & Yanina Cambero

A special thanks to the Yearbook Committee President and Vice President for leading the Yearbook club, organizing photos, and for doing their best to make this yearbook possible. Even with the lack of guidance, they still managed to do the most for our yearbook.

and to you, Class of 2023!
